## NBTA National Solo and 2 Baton Champion

Cody Carter recently qualified to represent the United States of America at the Baton Twirling World Championships in Neuchatel, Switzerland in April 2012. Cody is the first individual from Arizona to ever qualify for this prestigious event!

The Arizona Baton Boosters Association is sponsoring Cody as he represents the USA and competes for a world title at the Baton Twirling World Championships. Baton twirling is not a heavily financed sport, and the associated costs for Cody to travel and compete in Switzerland are going to be great. The Arizona Baton Boosters Association and Cody need your help to send him to Switzerland.

At the young age of 10, Cody currently holds three NBTA Juvenile Regional and three NBTA Juvenile National titles, and is now working hard to add a World Championship title to that list!

All tax deductible proceeds from “The World Baton Championship Charity Golf Classic” will go to help offset Cody’s expenses as he continues on his quest to become a World Champion!
